

WILLINGNESS TO SERVE FORM

I _____ wish to serve the MSK Council in the position of _____ for the Council Term between **2023-2025**.

I understand that this is a voluntary position that will require me to invest time, knowledge, and expertise as well as resources where necessary.

I will be ready to avail myself for induction training when called upon to attend one.

I further understand that I will be bound by the MSK constitution and will be required to represent the best interests of MSK at all times.

I will also renew my MSK membership in/on time.

I will also attend and participate in MSK events.

Should I miss more than 4 meetings without a written apology, I understand that my membership to the Council may be terminated.

As I express my interest, I would like to make it clear that my term in the council will not cause a conflict of interest with my personal as well as professional endeavors in and outside MSK.
